Over the last few years, we have received calls from Member's spouses or family members, at the time of the members passing (EOW). In many cases these grieving heirs have no idea who or how to report a member's EOW. Some are unsure of what Police organizations to notify and what to do about receiving any benefits they may be entitled to. With that in mind the SCPD Alumni has commissioned the distribution of an EOW guide for our members. This is a voluntary program. Each participating member is responsible for completing and distributing the EOW guide to their designated beneficiary or executor.
