

Fellow Law Enforcement Officer:

The Suffolk County Police Alumni Association is a brotherhood of retired law enforcement officers. Membership is open to any retired officer who has served the people of Suffolk County, NY.

There are several advantages to being a member, some of which are listed on the enclosed membership application.

We would appreciate any assistance you could provide us by making those in your agency, who are close to retirement, aware of the Alumni Association and its goals. Also, we would like to get this information to those officers already retired who may want to stay in touch with fellow retirees.

If you have any questions about the Alumni Association, feel free to call any of our members.

Thank you,

Police Alumni of Suffolk County
